## Riverland Resort Offers Family-Friendly Fun

There's a place tucked along the California side of the Parker Strip that offers many of the same amenities you can find at numerous RV Parks along the Colorado River, but this one offers something extra: fun!

Riverland Resort has been a mainstay on the Parker Strip for many years, but when new Resort Managers Dave and Lisa Hill arrived two years ago, they made it their mission to offer a clean, family-friendly place with plenty of activities for the residents and seasonal guests. Mission accomplished.

Dave and Lisa Hill arrived in Parker from Carson City, Nevada two years ago when they decided to move to a warmer climate after their youngest child went off to college. Both Hills spent over twenty years as meat managers at a large grocery chain, so managing a resort is a big change for them, although by all accounts, they are doing a great job.

Riverland Resort is located five miles north of Parker along Highway 62 on the California side of the Colorado River. Riverland offers full RV sites with full hookups, many of them right along the river. The resort also

has a private beach and a marina with boat slips and a fuel dock. Riverland also has a gift shop and market that offers just about everything you would need for a weekend stay or a season. Swimming, fishing, water sports and even hiking in the rug-

ged mountains near Riverland make it a great place to stay year-round.

Riverland Resort has plenty of on-site storage for motor homes or RVs and if a guest calls ahead, they'll put it in a space and get it ready for their arrival. If camping or RVing is not your thing, Riverland Resort has

beautiful, affordable "Bungalows" that can be rented by the day, weekend, week or month. The Bungalows include linens, utensils, barbecues, pots, pans and dishes: all you need is your clothing and toiletries. Sewer, water, propane and electricity are included in the rental price, which is usually lower than the

best motels in the Parker area. Why stay at a chain motel when you can enjoy all the amenities of the Colorado River without the crowds?

But Riverland Resort is more than just an RV Resort—it's a community. The spacious clubhouse hosts events almost every night and guests can
